INTRODUCTION

Hickory Cove Bible Camp was started in 1959 to provide a natural setting for children to be presented with the love of Jesus Christ. Originally, the property was just a place to set up tents and camp out with a few kids. But Hickory Cove has grown into a much larger ministry that serves the entire eastern seaboard by hosting camp sessions for children and adults in quality facilities offering a wealth of activities. Throughout these 60 years of growth, our original goal of reaching and teaching children and young people for Christ has never changed.

A Board of Trustees oversees the Camp. The Board is responsible to see that all Camp events are run in a godly manner and that the overall mission of the Camp is being carried out. While many events are sponsored by the Board and staffed by volunteers who work at the Camp, the facilities are also rented to church groups and others who desire to use the Camp for common ministry objectives. We seek not to replace the local church in any way. Rather the Camp is a parachurch organization that complements the church's role and responsibility.

Under certain circumstances, we also rent the Camp to non-religious civic and educational groups, depending on their mission and agenda. We hold a short briefing with every group who uses the facility to explain our mission.

We encourage you to read through this entire booklet. Please pay special attention to our doctrinal statement below. We welcome any questions you have about our ministry. We trust that you and many others will come to Hickory Cove and use the Camp for the glory of God in ways that are consistent with our mission and not incompatible with our doctrinal statement.

Our Mission

To provide a haven in God's creation where young people are challenged to become effective, kingdom-minded Christ followers through sound Bible teaching and meaningful discipleship relationships.

Our Vision

To be instrumental in training children and young adults to be passionate followers of Jesus Christ, so they will seek to impact the world with His love, know God's word in their hearts and minds, and reflect His power in their lives.

WE BELIEVE... (Our Doctrinal Statement)

1. We believe in the Eternal Godhead, composed of the Trinity, consisting of the eternal relationships of God the Father, God the Son, and God the Holy Spirit.
2. We believe in the entire Bible as the inspired Word of God and as the only basis of authority in all matters of Christian faith and practice.
3. We believe in the Virgin birth of the Lord Jesus Christ, who is truly man and truly God.
4. We believe that, when the Lord Jesus Christ died on Calvary's Cross, He died for the whole world through His substitutionary atonement on the Cross. All who accept Him as their personal Savior have, by faith in him, eternal life as a free gift from God. There is no salvation

in any other way, and all who reject Him as their vicarious Savior are eternally lost and doomed to eternal punishment in Hell.

5. We believe in the convicting, regenerating, and guiding power of the Holy Spirit.
6. We believe in the bodily resurrection of the Lord Jesus Christ and also in the bodily resurrection of the believer at the coming of the Lord Jesus Christ for His Church
7. We believe in the imminent and premillennial coming of the Lord Jesus Christ for His Church and, thereafter, in His personal and visible return to the earth to set up His kingdom in righteousness.

Recognizing that no one individual or organization within the Christian faith has complete understanding of all of God's Truth, we respectfully request that you do not teach any doctrine that contradicts the above positions while at Camp.

HOW TO RENT THE CAMP

1. Call the Camp at 828-632-2987 to determine if your desired dates are available. At this time, you may also receive a preliminary estimate of costs, based on your needs and number of attendees. If you wish, you may make an appointment for a personal tour of the Camp.
2. If your desired dates are available, you may put them on hold for up to 14 days. A package will be sent and your application/contract and deposit are due within this “hold” period to reserve these dates. The dates of your event are not guaranteed until we receive your deposit.
3. A deposit is required to hold your reservation date:

A Week Long Session	A Weekend Session	A Day Session
\$2500	\$200	\$50

This deposit is only refundable or transferable if a cancellation or change is made 120 days before the reserved date. The deposit will be applied to your final bill, based on criteria discussed below. Checks should be made payable to “Hickory Cove Bible Camp.”

4. Upon receipt of your signed application/contract and deposit, we will send you an “Event Preparation Package” that will include a “Guest Group Information Sheet.” This sheet must be completed and returned no later than **two weeks** prior to your scheduled event. (Thank you in advance for any extra lead-time that you can give us.) This will help to ensure that all arrangements have been made to accommodate your group.
5. As soon as we receive your Guest Group Information Sheet, a Guest Group Coordinator will be designated for your group. This person will be your primary contact for any questions and needs that arise during your event.
6. If you have never been to Hickory Cove, we encourage you to schedule a time in advance of your event to visit the Camp and tour our facilities. It will aid in your planning by letting you see the facilities first-hand, as well as give you an accurate idea of distances between event locations. We can help you plan your event for maximum effectiveness and enjoyment during this visit.
7. If possible, your group leaders should plan to arrive at Camp at least two hours before the main group of campers. This is especially important for medical personnel and your head cook, as all of them will need to go through a short site-specific orientation.
8. When you come to Camp, your Guest Group Coordinator will meet with your entire group for a brief orientation (approximately 20 minutes) soon after arrival. All campers and staff are required to attend this orientation. Please consider this in your activity and meeting scheduling.

INSURANCE/LIABILITY

1. It is understood that participation by members of a guest group in activities at the Camp can expose them to dangers, both from known and unanticipated risks. Hickory Cove Bible Camp does not assume any liability for injuries sustained while members are traveling to and from Camp or while they are on Camp property or participating in Camp activities. Your group agrees to indemnify and hold harmless any officers, agents, employees, or volunteers of Hickory Cove Bible Camp from and against all liability for injuries to, deaths of persons, damage to property, or claims based in or caused by your group's use of, occupancy of, or operations upon the premises. This hold-harmless agreement is not extended to liabilities incurred from any negligent acts or omission on the part of Hickory Cove Bible Camp and its officers, agents, employees, or volunteers.
2. Hickory Cove Bible Camp provides excess insurance coverage for campers who are registered with groups renting the Camp if an injury occurs at Camp. By accessing this policy, Hickory Cove Bible Camp admits no liability for any particular injury. The camper and/or parent/guardian are responsible for all bills for medical treatments incurred while participating in the Camp program during your session.
3. We strongly recommend that you consider the purchase of both a general liability and an accident insurance policy that will cover your group while you are at Hickory Cove Bible Camp. Please contact the Camp Business Manager if you have any further questions about insurance.

CANCELLATION/CHANGE POLICY

1. Your contract may be canceled at any time up to 120 days prior to your event. If that becomes necessary, we will return your deposit.
2. If the contract is canceled less than 120 days before your event, your deposit will be forfeited unless your event is replaced with another acceptable guest group that has a contracted price of an equal or greater amount. If you find it necessary to cancel, it will be to your benefit to help us find such a group.
3. We recognize that plans change. We ask that you notify us of significant changes (such as from an overnight rental to a daily rental, or an increase or reduction of attendees by more than 25%) as soon as possible. If you make a significant change to your event less than 30 days before the start of your event, we reserve the right to charge you a "change fee" that will cover all direct costs already incurred by us, plus \$250.00 for labor expense.

GUEST GROUP POLICIES

1. For Hickory Cove Bible Camp to provide efficient service, adequate staff and good food at reasonable prices, an accurate count of all campers must be given. It is in your best interest to provide the most accurate count possible. Underestimating the number will mean that some facilities may not be available for your group and, if we are providing the meals, we may run short of food.
 - If the actual number of attendees (campers and staff) is more than the “Updated Camper Count” that you list on your Group Information Sheet, you will be charged for the actual number of attendees.
2. The final payment of any balance is to be paid to Hickory Cove Bible Camp by the end of your camp session, unless other arrangements are made.
3. For events geared to campers less than 18 years of age, we require that you have at least one adult per ten campers. Charges apply for all in attendance over age 4. Please discuss any questions on this subject with us in advance.
4. Depending on the number of your group, you may be sharing the facilities with another group. Special arrangements can be discussed with the Camp Director.
5. Campers who attend overnight events but do **not** spend the night will be charged half of the overnight rate.
6. Rates are subject to change without notice before an event is confirmed.
7. The “check-in” and “check-out” times will be scheduled to the needs of your group and already scheduled groups. Be sure to set a “check-in” and “check-out” time with your Guest Group Coordinator so we can have your accommodations ready **before** you arrive.
8. We ask that groups who use Hickory Cove Bible Camp respect the beliefs set forth in our Doctrinal Statement and not teach or practice anything that is contrary to these core statements. We welcome your questions in this area, and we reserve the right to review your planned activities to be sure that they meet these statements.
9. All who use the Camp agree to the Camp policies set forth by the Hickory Cove Bible Camp Board of Trustees. We require that the individual in charge take this responsibility. These policies are listed under “General Camp Policies and Procedures,” starting on page 10.

CONFLICT RESOLUTION

1. Because we operate on Biblical principles, we expect that any disagreements or dispute can be settled in a manner acceptable to both parties.
2. In the event of a dispute between Hickory Cove Bible Camp and anyone in your group, you agree to abide by our policy of Conflict Resolution, as follows:

The parties accept the Holy Bible as the inspired Word of God. They believe that God desires that they resolve their disputes with one another within the Church and that they be reconciled in their relationships in accordance with the principles stated in 1 Corinthians 6:1-8, Matthew 5:23-24, Matthew 18:15-20, and other pertinent scriptures.

Accordingly, the parties hereby agree that, if any dispute or controversy arising out of or related to this Contract and any modifications hereof, or its performance, is not resolved in private meetings between the parties pursuant to Matthew 5:23-24 and 18:15, then, the dispute or controversy shall be submitted as follows, under the auspices of the Institute for Christian Conciliation (“ICC”) (406-256-1583) and in accordance with Matthew 18:16:

- a) The dispute shall be submitted first to a panel of Christian peacemakers, selected by the ICC and approved by the boards of the parties, for mediation. If the matter is not resolved through mediation, then:
- b) Said peacemakers shall arbitrate and decide all issues, under the then-existing Rules of Procedure for Christian Conciliation of the ICC, a copy of which rules the parties hereby acknowledge are available at <http://www.hispeace.org/> <http://www.hispeace.org/html/geticrul.htm>. The award of the peacemakers shall be final and binding upon the parties, and judgment upon the award may be entered by any court having jurisdiction.

CLEAN-UP OF CAMP

1. We would love the assistance of **your campers and staff** to clean the Camp. We will provide full instructions and all supplies. Required clean-up includes the following:
 - a) Empty all trash for facilities used and around the Camp grounds into plastic bags provided and put those bags in the dumpster (located next to the Workshop).
 - b) Clean all buildings used during your event, per a checklist provided by Hickory Cove Bible Camp.

- c) If you provide your own kitchen staff and head cook, you must clean the Kitchen/ Dining room per a checklist provided by Hickory Cove Bible Camp unless other arrangements are made (see below).
- d) Any damages/vandalism incurred to Hickory Cove Bible Camp will result in a fee.
- e) Please, please, PLEASE pick up your own garbage.

It is the policy of Hickory Cove for the kitchen crew to maintain the cleanliness of the kitchen and dining room, and to provide a thorough cleaning at the end of each session. Therefore, your group is responsible for cleaning the kitchen and dining room unless Hickory Cove provides *all* food and meals for your group. We require the Kitchen and Dining Room to be inspected by our Kitchen Manager and all state standards be met.

If you have any questions about this policy, please discuss them in advance with your Guest Group Coordinator. Cleaning Checklists may be reviewed in advance upon request. Thank you for your cooperation in helping to properly care for these facilities that the Lord has provided for our use.

MEDICAL GUIDELINES

1. It is the policy of Hickory Cove Bible Camp that certified medical care is available to all campers at any time while they are at the Camp. You can meet this requirement in either of two ways, as follows:
 - You can provide a licensed health care professional- EMT, LPN, RN or MD (Red Cross trainees are not acceptable). This person will be responsible to keep a log (Camp-provided) of any incidents, provide all medication and supplies, and must remain at the Camp for the duration of your event. Certification is to be sent in advance with the Group Information Sheet.
 - The Camp will provide a licensed health care professional (EMT, LPN or RN) and the above medical services at **an additional fee**.
2. North Carolina state law requires that all medications brought to Camp **must** be in their original containers. This includes both prescription medicines and over-the-counter medications. Please make sure that **all** campers are aware of this law. Campers who bring medications in “daily” plastic containers or other unmarked containers will not be able to take these medications while at Hickory Cove. In addition, we require that all prescription medications to be taken by those under 18 years of age must be turned in to the Camp health care professional in their original containers upon arrival, who will administer those medications based on the instructions listed on the container or from a licensed medical doctor. If your group is providing the medical professional, this will be part of that person’s responsibility.
3. The Camp Infirmary is located in the Office building. The licensed health care professional will be given access to this room. We recommend that this person stay in the room just across the hall from the Infirmary (Room R1).
4. Over-the-counter medication will not be available unless we are providing the licensed health care professional. However, basic supplies (such as bandages) are available at no additional

charge to the licensed health care professional that you supply. All phones have emergency information posted by them and you will be provided with emergency procedures upon arrival (local doctors and hospital). Emergency transportation, which you provide, must be available at all times.

5. All participants **MUST** provide two signed forms. A “Release & Indemnity Agreement” and a “Health History” form are provided in your Event Preparation Package, which will be sent to you after we receive and approve your application. Copies of these forms must be provided to every camper & staff member prior to arrival for appropriate signatures. Both of these forms are due at the time of arrival at Camp. Any person who does not provide properly signed forms will not be allowed to remain at Camp.
6. Any incidents or accidents that result in (or could potentially lead to) an injury, property damage or lawsuit must be reported to your Guest Group Coordinator immediately, no matter what time of the day or night.

GENERAL CAMP POLICIES & PROCEDURES

When you (the guest group) sign the Hickory Cove Bible Camp Guest Group Contract, you agree to all of the provisions and policies in this booklet, especially the following:

1. The Session Director must remain on the Camp property throughout the event and be responsible for the group for the duration of the event. If the Session Director must leave the premises, another responsible party must be designated. The name of this individual must be communicated to your Guest Group Coordinator.
2. You will provide adequate adult supervision at a minimum ratio of one adult for each 10 campers under age 18. Counselors will sleep in the same rooms as campers and are responsible for their conduct.
3. No visitors of the opposite sex are permitted in the sleeping quarters, except for family camps.
4. A reasonable curfew will be agreed upon with your Guest Group Coordinator and it will be observed. To be good neighbors, we observe quiet hours from 11:00 PM to 7:00 AM unless prior arrangements have been made.
5. There will be no tobacco products, alcoholic beverages, illegal drugs, fireworks, or firearms (including pellet and BB guns) permitted at Hickory Cove Bible Camp. We strongly discourage the private use of radios, tape/CD players, boom boxes, computers, cell phones and other electronic equipment. Chewing gum is prohibited.
6. No pets are permitted.
7. No food or drinks, except water, are permitted in the sleeping quarters.

8. You will be responsible for breakage or destruction of Camp property during your event. You may be billed separately for any damages after inspection of Camp property.
9. Beds may not be moved within rooms or from room to room without approval from your Guest Group Coordinator.
10. Hickory Cove does not provide any telephones for public use. Camp phones are available for local calls (Taylorsville and Hickory) or for emergencies only.
11. Lifeguards – The ratio of lifeguards to campers in the pool area will be 1:25. We will secure as many certified lifeguards as you request at an additional fee; however, we will limit the number of campers in the pool area to the number that you request. We require one of our certified lifeguards to be on duty at all times when the pool is in use. If your group wishes to provide additional lifeguards, a current lifeguard certification must be sent in advance with your Group Information Sheet and the lifeguard to camper ratio above is to be followed at all times. Your lifeguards will need to arrive early enough to attend a site-specific orientation prior to your first scheduled pool time. Note: all swimmers must take a swim test before entering the deep end of the pool.
12. No one, including adults, is to be at the lake alone at any time. You may not allow children or youth below age 18 to be at the lake without an adult. No swimming is allowed at the lake. All activities at the waterfront are entered into at your own risk. Scheduled waterfront activities (such as boating and canoeing) require a lifeguard per the same ratio as listed in #13. Everyone is required to follow all posted rules at the waterfront. If your group supplies boats, a current registration and proof of insurance is required in advance with your Group Information Sheet. Skiing and tubing require a designated lookout in the boat in addition to the boat driver.
13. Pool – Failure to follow all posted rules and directions of the lifeguard will result in campers being asked to leave the pool. Flagrant disregard of rules and lifeguard directions can result in a camper being sent home.
14. Campfires – We will provide wood, a water supply, etc. at no charge. You are responsible for safety at the fire. Extra care should be taken for fires in wilderness areas where no water supply exists. We reserve the right to limit or prohibit open fires depending on weather conditions and government bans. No open fires are permitted without approval or outside of designated areas.
15. In case of fire or other emergency, ring the Camp bell continuously. Upon hearing the bell ring for an extended time, all campers and staff should report to the outside basketball court.
16. The Camp will provide sports equipment for most major sports at no extra charge. This equipment must be checked out at the beginning of the session and must be returned in good condition. Broken equipment will be replaced at your expense.
17. If you elect to provide a time for Archery while at Camp, you may either have Hickory Cove provide a facilitator and all equipment or you may bring your own equipment and staff. In

either case, you must use our Archery Range, which is located in our Wilderness area. Transportation can be provided. If you bring your own Archery staff, they must attend an orientation with our Program Director prior to using the range.
